Lib. R. R. R.

New Yorke June the 12<sup>th</sup> An<sup>o</sup> 1682.

Honoured S<sup>r</sup>

Those severall applicacōns made yesterday wee have caused to be drawne up into these heads and humbly desire that noe negative determinacōn may be made to any Article without giveing us a hearing to Reply to such matters as shall be objected thereto:

1. That you please to grant us yo<sup>r</sup> Councill and Assistance in demanding and procureing satisfaccōn for those murders and Robberys committed vpon the Inhabitants last fall by the Northern nacōns of Indians:

2. That you please after a faire Compliance therein by those nations whose People were guilty of the fact to putt us into the best Rules of ratifeing and Confirmeing the peace last made (and in such manner as may best secure us from such violations as have beene to lately committed on their part in order whereto wee have considered of some expedients w<sup>ch</sup> wee offer for yo<sup>r</sup> Hono<sup>rs</sup> Approbacon.

1<sup>st</sup> That you please by yo<sup>r</sup> Selfe or some person commisionated p you to declare to those severall Northerne Nations of Indians, in league and amity with his Majesty, in his Royall Highness the Dukes Governm<sup>t</sup> that the Inhabitants of Maryland and Virginia are alike Subjects to the King of England as yo<sup>r</sup> selves of New Yorke.

2<sup>dly</sup> That in haveing made a peace with the subjects of the King of England at New York they must understand it includes all the Kings subjects in Maryland and Virginia. p. 29

3: That if they committ any murders or Robberys upon the persons or estates of the Inhabitants of Maryland and Virginia, they must not expect to hold any longer the trade att Albany or Continue in the Amity or friendship of the Inhabitants of this Governm<sup>t</sup>

4: And that this may make the Deeper impressions upon them and Consequently take the better Effect for the p<sup>r</sup>servacon of his Majestys Subjects in all these Governm<sup>ts</sup> that you please at the next ratificacōn of your owne peace (which wee understand is done yearly to add an Article for that purpose for which Noble and Christian-like Service no doubt but your Hon<sup>r</sup> will have his gracious Ma<sup>ty</sup>s Royall favour and thanks.

1: In order to the effecting whereof, and makeing peace for our severall neighbouring and freind Indians (without which wee cannot expect to be free from Robberys and Spoiles when their Northerne Troopes come downe vpon them, Wee desire permission to treat with those severall Nations at Albany.
